## FOREWORD

I am pleased to present the 25<sup>th</sup> edition of the annual publication 'Prison Statistics India 2019' (PSI 2019), one of the most sought after publications of National Crime Records Bureau (NCRB), which provides comprehensive statistical information on various aspects of prison administration in the country. The first edition was published during 1995.

In view of the diverse usage of the PSI publication, the chapters of the report have been dedicated to various aspects of prison administration viz. type of prisons and occupancy, prisoners types and demography particulars, details of Indian and Foreign prisoners, offence-wise statistics on convicts and undertrials, sentences and incarceration of prisoners, releases, transfers and movements of inmates, deaths of prisoners, jail breaks, escapes & firing in prisons, rehabilitation and welfare of prisoners, prison staff strength and prison budget & expenditure.

Certain improvements/refinements in the presentation have been undertaken for the sake of making it a better reading experience. Some refinements have also been made in the definitions of certain terms in the Glossary section.

I hope that this report will serve as a useful reference document for various national and international stakeholders including Parliamentarians, Policy makers, Central & State/UT Governments, Prison Administrators, Criminologists, Researchers, Academicians, etc.

I express my sincere gratitude to all Directors General / Inspectors General of Prisons and Prison Departments of the States/UTs for their painstaking efforts in providing timely data to bring out the report on time during such difficult times of COVID-19 pandemic.

I take this opportunity to appreciate the dedication and hard work put in by the Officers and Staff of the Statistical Branch of the Bureau in bringing out this publication.

The Bureau, on its own initiative, has digitized and made available all editions of the 'Prison Statistics India' publication since 1995, on NCRB website <http://ncrb.gov.in>, under proactive disclosure of information, for transparency and outreach.

NCRB welcomes valuable suggestions and feedback from the readers of this publication for further improvement in content and quality of future editions of this report, which may be sent in the form attached at the end of this report.

## Chapter – 1

### Prisons – Types and Occupancy

#### Introduction

Prison administration is an important component of criminal justice system. Prison institutions are known by different names in different countries like 'Correctional Facilities', 'Detention Centre', 'Jails', 'Remand Centre' etc. There is a paradigm shift in social view point towards prisoners in last century. Earlier system of prison with punitive attitude where inmates were forcibly confined and deprived a variety of freedom as a form of punishment has changed with a change in social perception towards prison and prisoners. It is now treated as correction or improvement facility which itself indicates that there is more emphasis on reformation of prisoners than to punish them.

In last few decades, prison population has increased tremendously which creates number of challenges before prison administration like security & safety in prison, hygiene issues, overcrowding, etc. In recent years the Supreme Court of India has come down heavily on sub-human conditions existing in prisons especially on overcrowding in prisons. This report contains comprehensive information at the national level on majority of such aspects

of these institutions. This report for the year 2019 is the twenty fifth in the series.

Prisons exist at three levels such as Taluk level, District level and Zonal/Range level and Jails at these levels are called as **Sub Jail, District Jail and Central Jail** respectively. Generally, capacity in terms of infrastructure, available prison staffs & powers vested in them, security, facilities to prisoners such as medical, educational and rehabilitation etc. are progressively better from Sub jail to Central Jail.

#### **IV. State/UT wise Prison Occupancy Rate as on 31<sup>st</sup> December, 2019**

Overcrowding refers to the situation in which more inmates are staying than the sanctioned strength. In recent years, it is one of the biggest problems faced by

Occupancy rate is defined as number of inmates staying in jails against

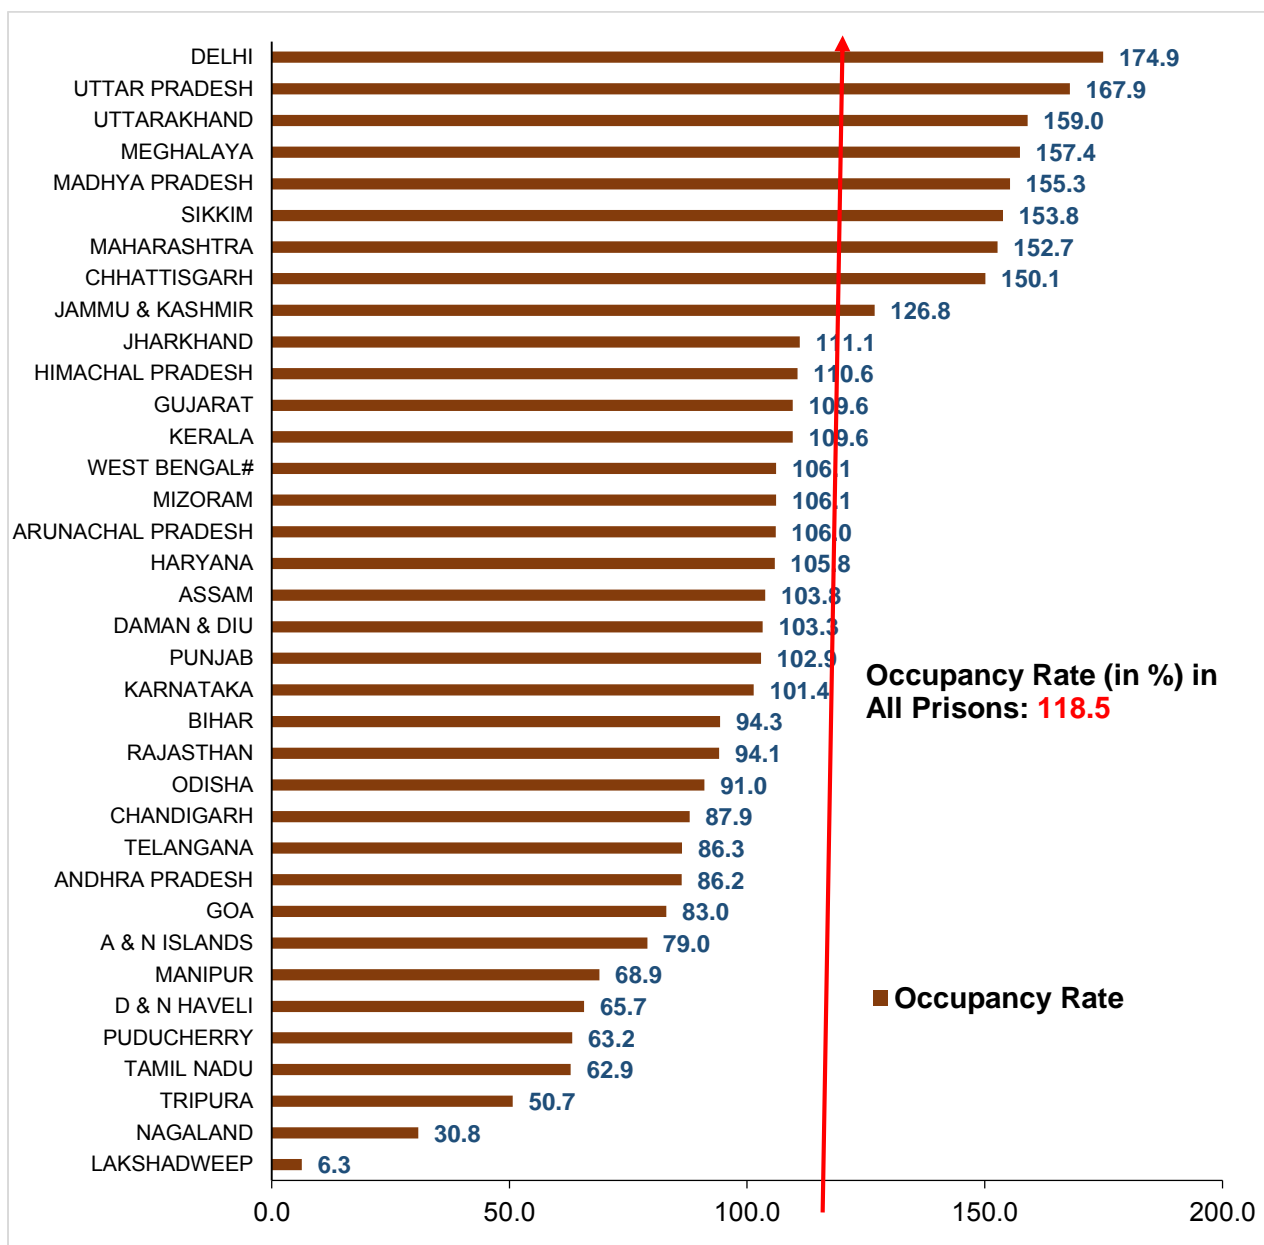

the authorized capacity for 100 inmates. In other words, if occupancy rate of any jail is 100, it means the number inmates are as per authorized capacity of the jail. Overcrowding in jail means occupancy rate is more than 100.

NCRB is collecting data on occupancy of jail as on 31<sup>st</sup> December 2019 which may not be true reflection of occupancy for the whole year, as it may vary on day to day basis.

It is evident from the information made available by States/UTs regarding population of inmates in various prisons as on 31<sup>st</sup> December, 2019 (**Table 1.2**) that the prison population was manageable at the end of the year 2019 (as on 31<sup>st</sup> December, 2019) in 10 States and 5 UTs as the occupancy rate in these States/UTs remained less than 100% [**Map-1**]. ## Chapter-9

### Jail Breaks, Escapes & Firing in Prison

Prison administration is an important component of criminal justice system, which mainly focuses on correctional services that can change and reform the convicts so that they can live in the normal society. In spite of all correctional procedures and measures, some offenders tend to escape, tend to breach peace inside jails and tend to commit offences habitually. These offenders spoil the atmosphere of prisons.

Out of 329 prisoners escaped, 76 prisoners escaped from inside prison premises and 253 prisoners escaped while they were outside prison premises (**Chart 9.1**). State of Gujarat has reported escape of 152 prisoners while they were outside prison premises followed by Rajasthan (37), Bihar (13) and West Bengal (11) (Due to non-receipt of

data from West Bengal for 2018 & 2019, therefore, 2017 data has been used).

Apart from escape from Judicial Custody, 139 prisoners escaped from Police Custody. Highest of such escape from police custody was reported by Uttar Pradesh (25) followed by Maharashtra (17) and Punjab (14).

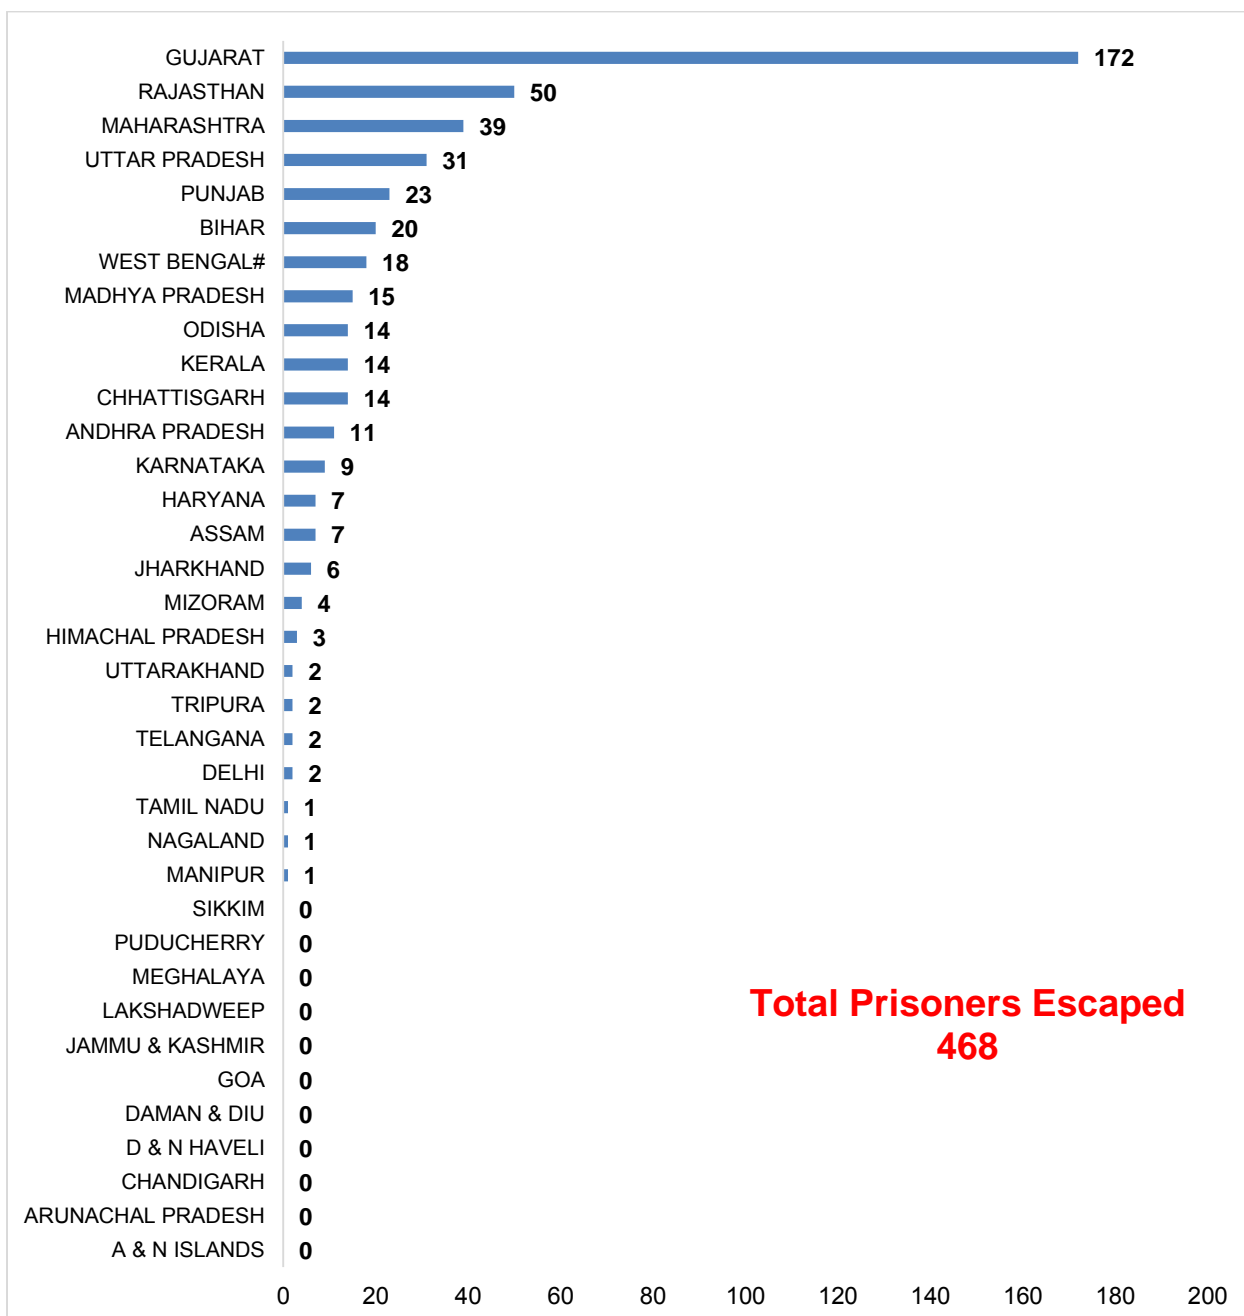

During the year 2019, a total of 468 persons escaped from lawful custody (Police, Judicial custody) (**Chart 9.1**) and 231 such persons got arrested again. Highest of such re-arrest in percentage terms took place in Nagaland (100%) followed by Gujarat (68.6%), Andhra Pradesh (63.6%) and Punjab (60.9%). However, no prisoner was reported as escaped out of lawful custody from 11 States/UTs. State/UT-wise such escape details are presented in **Chart 9.2 & Table 9.1**.

**Rehabilitation  
and Welfare  
of Prisoners**

## Chapter – 10

### Rehabilitation and Welfare of Prisoners

The reformation and rehabilitation of offenders is the ultimate objective of prison administration. In pursuance to meet this objective, many States/UTs under direction and supervision of Central Government have been taking number of initiatives in the field of rehabilitation and welfare of prison inmates.

Central Government through Ministry of Home Affairs is running various schemes not only for improvement of prison infrastructure with emphasis on hygiene condition, but also organizing national as well as international conferences on correctional administration for sensitization of prison staff. The Ministry of Home Affairs has framed 'Model Prison Manual (2016)'.

As prison is State subject, hence overall supervision and management of prisons is under direct control of State Government / UT Administrations. Various good practices adopted/ shared by the States/UTs have been summarised under following two broad heads:

- A. Rehabilitation and welfare
- B. Grievances

#### A. Rehabilitation and welfare

Some good initiatives adopted by States/UTs towards rehabilitation and welfare of prisoners are summarised below under following head:

#### I. Education

Educating jail inmates not only provides a corrective approach to the psyche of the offender but also goes a long way in developing a responsive and respectful attitude in them towards the society.

A total of 1,14,262 prisoners had been educated in the country during the year 2019. Out of the total prisoners educated, 47,860 prisoners were provided Elementary education, 44,438 prisoners were provided Adult education, 11,917 prisoners were provided higher education and 10,047 prisoners were educated in the field of Computers (**Table 10.1**).

The States of Telangana, Uttar Pradesh and Jharkhand has reported that 13,633, 9,654 and 2,993 prisoners were educated in the field of Elementary education. The States of Madhya Pradesh, Telangana and Uttar Pradesh have reported that 8,544, 7,670 and 6,739 prisoners were educated in the field of Adult education. The States of Gujarat, Maharashtra, Uttar Pradesh and Delhi have reported that 1,596, 1,435, 1,435 and 1,288 prisoners were educated in field of Higher education. State/ UT wise such details may be seen in **Table 10.1**.

A snapshot of good initiatives undertaken by States/UTs in the field of education are discussed below:

## (i) Educational Program in States

**1. Andhra Pradesh:** Educational programmes are being conducted in all prisons to transform illiterates to literates. Secondary Education is being imparted by National Institute of Open School (NIOS) and Graduation and Post-Graduation are being imparted by Open Universities i.e. Dr B.R Ambedkar Open University and Andhra University. Special remission is being awarded to those prisoners who are successful in exams to encourage the education in prisons.

Computer labs are established in all Central Prisons and Special Prison for Women for imparting basic Computer education to the prisoners.

**2. Gujarat:** Study centres of Dr. Baba Saheb Ambedkar Open University were functional at only Ahmedabad/ Vadodara Central Prison & Junagadh District Jail before 2010. Now study centres of Dr. Baba Saheb Ambedkar Open University has been started at every Jails since 2011, covering all jails up to sub Jails.
