¹ Established in 2023, operates separately from the Department of Correctional Services (custodial). ² Assuming national population ~38,500 in 2024. Rate = $(31 \div 38,500) \times 100,000$	

³ Case Plans were initially being developed in 2020-2022. During this period, there were about 75 case plans developed However, with the change in staff and the requisite training needing to occur, they have not been enforcing this.

⁴ The Alternative Sentencing Ordinance allows the court to impose a sentence between 12 months- 36 months.

⁵ These referrals were unsuccessful due to funding difficulties.
